## About Me

I am a UI/UX designer with over 9 years of experience, started as an intern and promoted to lead designer within 5 years. I am skilled in all aspects of the UI/UX design process, from wireframing and prototyping to user testing and implementation, proficient in Figma and Adobe Creative Suite. I am a highly motivated and results-oriented individual, a team player, and always willing to go the extra mile. I am always looking for ways to improve the user experience.
